

# Pro-Kero

Liquid Toxin Binder/ Liver Tonic/  
Immune Stimulator

A liquid synergistic blend of esterified mannose oligosaccharides derived from the cell wall of yeast *Saccharomyces cerevisiae* in combination with organic acids, artichoke extract, and vitamins for use as a nutritional supplement for animals to alleviate mycotoxicosis impact and to improve performance as a growth promoter.

## Features & Benefits:

- Provides source of mannose oligosaccharides from yeast cell wall for binding of mycotoxins present in the intestinal tract of the animal
- Provides source of b-glucans from yeast cell wall which assist in immune stimulation
- Contains artichoke extract for repairing liver function following exposure to mycotoxins or after severe times of stress
- Synergistic blend of four acids which assist in keeping the digestive tract acidified for improved feed digestion and absorption
- B vitamin complex assists in maximizing liver function
- Propylene glycol provides immediate source of energy to the animal
- Improves production and efficiency during times of exposure to mycotoxins
- Alleviates detrimental effects of stress such as high temperature, feed changes and vaccinations
- Manufactured in the United States of America

## Guaranteed Analysis:

Nutrient	Product Specification (per liter)
Thiamin	2,000 mg/l
Riboflavin	3,575 mg/l
Pyridoxine	3,550 mg/l
Calcium pantothenate	2,550 mg/l
Phosphoric acid	70 g/l
Citric acid	85 g/l
Lactic acid	50 g/l
Propionic acid	50 g/l

## Ingredients:

Condensed molasses fermentation solubles (MOS), thiamin hydrochloride, riboflavin supplement, pyridoxine hydrochloride, D-calcium pantothenate, phosphoric acid, citric acid, lactic acid, propionic acid, artichoke extract, propylene glycol, distilled water

## Directions For Use:

- For poultry: administer at the rate of 0.25 – 0.50 ml/liter of drinking water for five (5) consecutive days.
- For cattle: administer at the rate of 3 – 5 ml/head/day.

## Appearance & Packaging:

Natural colored, translucent liquid with little to no odor packaged in 1 liter bottles or 200 liter drums

## Storage:

Store in a cool, dry area. Keep container closed when not in use.

## Shelf Life:

3 years from date of manufacture
