

mondial^s

Collapsible plastic poultry crate

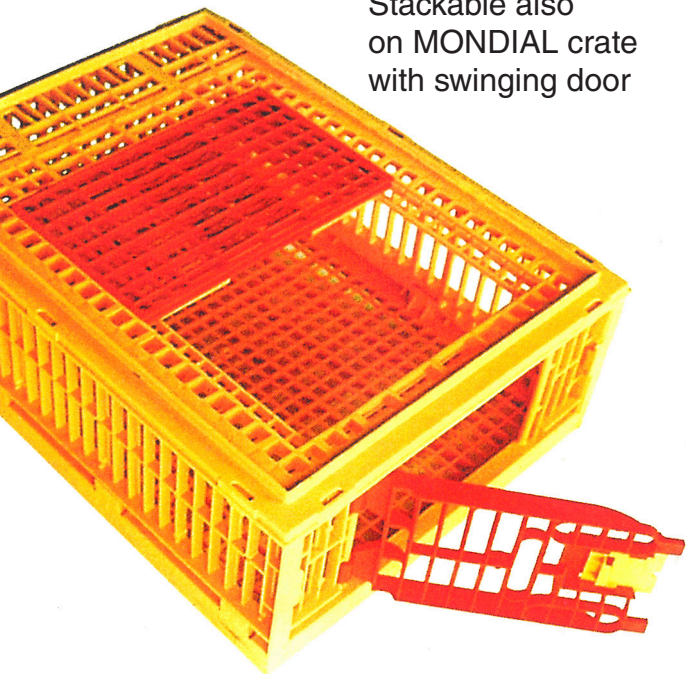

Size: cms 80 x 60 x 28

With big top sliding door of cms 37.5 x 25

Available with and slide door too if required

Stackable also on MONDIAL crate with swinging door

HOW TO ASSEMBLE MONDIAL-CARFED CRATES

Lift up the walls so that they enter into the suitable joints at the corners.

Adjust cover so that the walls may enter into special guide.

For proper assembly, release joint points on the cover edges by slight hammering.
